INVITATIONAL
BASKETBALL CAMP**
- Since 1963 -

A DAY IN THE LIFE AT POCONO INVITATIONAL

SKILL DEVELOPMENT SESSIONS - Each camper will participate in three skill development workouts a day. Our professional and dedicated staff provides individualized feedback tailored to each campers needs. In addition to these workouts, campers may also participate in an additional workout every day.

TEAM GAMES - Our campers will be placed on a team at the start of each camp. With this team, they will participate in three five-on-five games daily. These games can be an important opportunity for campers to practice the skills we teach in a fast paced environment, helping to solidify their growth through the program.

MEALS - We provide breakfast, lunch, and dinner for our campers. Each meal prepared by our new chef Sal Cinque will include one hot main dish with two sides. In addition to the main course, campers can take advantage of our sandwich station, pasta station, fruit bar and salad bar. Perfect for picky eaters!

FREE TIME - Campers will have free time throughout the day to enjoy a more traditional summer camp experience, either participating in various supervised activities or relaxing poolside near their cabins.

A DAY IN THE LIFE AT POCONO INVITATIONAL - ACTIVITIES

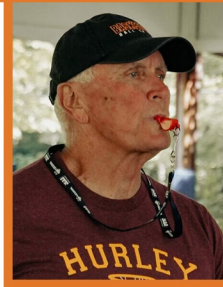

Here at Pocono Invitational, our campers have a wide range of activities to participate in outside of basketball. In addition to participating in planned activities like dogeball and kickball, campers can use the following facilities.

POOL - Open every day, our pool is a great place for campers to cool down and relax and unwind after their games. There is always a certified lifeguard present during camp hours.

MEALS - Our player's lounge area is open to our campers all day. Campers can watch tv, play boardgames, and grab a bite at the snack bar next door.

CAMP FIRE - Campers can kick their feet up and enjoy a nice night by the camp fire at least once per session. This is one of the highlights of our week and true taste of the classic summer camp experience.

PROFESSIONAL AND DEDICATED STAFF

At Pocono Invitational, we believe that the quality of our staff is the foundation of a great camp experience. Our professional and dedicated staff includes college basketball players, high school and college coaches, and professional athletes are here to ensure your child has an unforgettable experience.

Our entire staff is background checked and selected both on knowledge and passion for the game.

CABINS

We provide our campers with recently renovated, air-conditioned cabins. Each camper will be given a personal cabin access code that only they and their bunkmates will have to ensure the safety of our campers and their belongings.

Staff will perform nightly bed checks to make sure campers are safe and in bed so they're ready to go each morning. Cabin assignments will be done with many factors in mind including age to assure comfortability with their bunks.

If campers are coming with their friends, a rooming request can be submitted with your registration.

WHY CHOOSE POCONO INVITATIONAL?

At The Pocono Invitational, young basketball players get the ultimate summer camp experience in the beautiful Pocono Mountains. We provide a unique experience for those who are looking to improve their skills, while still getting the traditional summer camp experience. We believe that the experience gained from our camps can be an integral part of childhood, and have seen our camps create lifelong memories and friendships here. With us, kids get both an unforgettable experience and the opportunity to develop as an athlete: all at a fraction of the average cost of a week of summer childcare.
